ABOUT THE 2018 ANNUAL MEETING

General: Date, Time and Place

We are providing this Proxy Statement to you in connection with the solicitation, on behalf of our Board, of proxies to be voted at our 2018 Annual Meeting of Stockholders (the "2018 Annual Meeting") or any postponement or adjournment of that meeting. The 2018 Annual Meeting will be held on June 27, 2018, at 10:00 a.m. local time at our principal executive offices, located at 4/F, Tower C, Rong Cheng Yun Gu Building, Keji 3rd Road, Yanta District, Xi'an City, Shaanxi Province, 710075 China.

Matters to be Considered and Voted Upon

At the 2018 Annual Meeting, stockholders will be asked to consider and vote (i) to elect the nominees named herein as directors, and (ii) to ratify the selection of our independent registered public accounting firm. The Board does not know of any matters to be brought before the meeting other than as set forth in the notice of meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy or their substitutes will vote in accordance with their best judgment on such matters.

Record Date; Stock Outstanding and Entitled to Vote

Our Board has established May 7, 2018, as the record date. Only holders of shares of the Company's common stock, par value \$0.001 per share ("Common Stock"), as of the record date are entitled to notice of, and to vote at, the 2018 Annual Meeting. Each share of common stock entitles the holder thereof to one vote per share on each matter presented to our stockholders for approval at the 2018 Annual Meeting. At the close of business on April 24, 2018, we had 8,310,198 shares of common stock outstanding. We expect the same number of shares to be outstanding as of the record date.

Quorum; Required Vote

A quorum of stockholders is required for the transaction of business at the 2018 Annual Meeting. The presence of at least one-third of all of our shares of common stock issued and outstanding and entitled to vote at the meeting, present in person or represented by proxy, will constitute a quorum at the meeting. Votes cast by proxy or in person at the 2018 Annual Meeting will be tabulated by an election inspector appointed for the meeting and will be taken into account in determining whether or not a quorum is present. Abstentions and broker non-votes, which occur when a broker has not received customer instructions and indicates that it does not have the discretionary authority to vote on a particular matter on the proxy card, will be included in determining the presence of a quorum at the 2018 Annual Meeting.

Assuming that a quorum is present, our stockholders may take action at the annual meeting with the votes described below.

Election of Directors. Under Nevada law and the Fourth Amended and Restated Bylaws of the Company ("Bylaws"), the affirmative vote of a plurality of the votes cast by the holders of our shares of common stock is required to elect each director. Consequently, only shares that are voted in favor of a particular nominee will be counted toward such nominee's achievement of a plurality. Stockholders do not have any rights to cumulate their votes in the election of directors. Abstentions and broker non-votes will not be counted toward a nominee's total.

Ratification of the selection of MJF and Associates, APC as our independent registered public accounting firm. The affirmative vote of the holders of a majority of the shares actually voted on the proposal at the Annual Meeting, provided a quorum is present, is required to ratify the selection of MJF and Associates, APC as our independent registered public accounting firm. Abstentions and broker non-votes will have the effect of a vote "against" the ratification of the appointment of MJF and Associates, APC as our independent registered public accounting firm.

Abstentions and Broker Non-Votes

Under applicable regulations, if a broker holds shares on your behalf, and you do not instruct your broker how to vote those shares on a matter considered "routine," the broker may generally vote your shares for you. A "broker non-vote" occurs when a broker has not received voting instructions from you on a "non-routine" matter, in which case the broker does not have authority to vote your shares with respect to such matter. Rules that govern how brokers vote your shares have recently changed. Unless you provide voting instructions to a broker holding shares on your behalf, your broker may no longer use discretionary authority to vote your shares on any of the matters to be considered at the 2018 Annual Meeting other than the ratification of our independent registered public accounting firm. Please vote your proxy so your vote can be counted.

Voting Procedure; Voting of Proxies; Revocation of Proxies

If your shares are registered directly in your name with our transfer agent, Securities Transfer Corporation, you are considered the "stockholder of record" with respect to those shares. As the stockholder of record, you may vote in person at the 2018 Annual Meeting or vote by proxy using the accompanying proxy card. Whether or not you plan to attend the annual meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the 2018 Annual Meeting and vote in person even if you have already voted by proxy.

By Internet – stockholders may vote on the internet by logging on to www.proxyvote.com and following the instructions given.

By Telephone – stockholders may vote by calling 1-800-690-6903 (toll-free) with a touch tone telephone and following the recorded instructions.

By Mail – stockholders must request a paper copy of the proxy materials to receive a proxy card and follow the instructions given for mailing. A paper copy of the proxy materials may be obtained by logging onto www.proxyvote.com and following the instructions given. To vote using the proxy card, simply print the proxy card, complete, sign and date it and return it promptly to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717. In the alternative, the proxy card can be mailed directly to the Company: Ms. Adeline Gu, Chief Financial Officer, at 4/F, Tower C, Rong Cheng Yun Gu Building, Keji 3rd Road, Yanta District, Xi'an City, Shaanxi Province, 710075 China.

If you vote by telephone or via the Internet, you do not need to return your proxy card. Telephone and Internet voting are available 24 hours a day and will close at 11:59 P.M. Eastern Time on June 25, 2018.

In Person - stockholders may vote in person at the 2018 Annual Meeting. To vote in person, come to the 2018 Annual Meeting and we will give you a ballot when you arrive. The Board recommends that you vote using one of the other voting methods, since it is not practical for most stockholders to attend the 2018 Annual Meeting.

Please note that the notice letter you received directing you to the website at which the proxy materials are available is not the proxy card and should not be used to submit your vote.

If you do not return a signed proxy card and do not attend the meeting and vote in person, your shares will not be voted. Shares of our common stock represented by properly executed proxies that are received by us and are not revoked will be voted at the 2018 Annual Meeting in accordance with the instructions contained therein. If you return a signed and dated proxy card and instructions are not given, such proxies will be voted **FOR** election of each nominee for director named herein, and **FOR** ratification of the selection of MJF and Associates, APC as our independent registered public accounting firm. In addition, we reserve the right to exercise discretionary authority to vote proxies, in the manner determined by us, in our sole discretion, on any matters brought before the 2018 Annual Meeting for which we did not receive adequate notice under the proxy rules promulgated by the Securities and Exchange Commission ("SEC").

If you hold your shares in "street name" through a stockbroker, bank or other nominee rather than directly in your own name, you are considered the "beneficial owner" of such shares. Because a beneficial owner is not a stockholder of record, you may not vote these shares in person at the 2018 Annual Meeting unless you obtain a "legal proxy" from the broker, bank or nominee that holds your shares, giving you the right to vote those shares at the meeting. If you wish to attend the 2018 Annual Meeting and vote in person, you will need to contact your broker, bank or nominee to obtain a legal proxy.

Your proxy is revocable at any time before it is voted at the 2018 Annual Meeting in any of the following three ways:

1. You may submit another properly completed proxy bearing a later date.
2. You may send a written notice that you are revoking your proxy to Ms. Adeline Gu, our Chief Financial Officer, at 4/F, Tower C, Rong Cheng Yun Gu Building, Keji 3rd Road, Yanta District, Xi'an City, Shaanxi Province, 710075 China.
3. You may attend the annual meeting and vote in person. However, simply attending the annual meeting will not, by itself, revoke your proxy.

Dissenters' Right of Appraisal

Stockholders are not entitled to any appraisal or similar rights of dissenters with respect to any of the proposals to be acted upon at the 2018 Annual Meeting.

Proxy Solicitation

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

Householding

SEC rules permit us to deliver a single proxy statement and annual report to one address shared by two or more of our stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one proxy statement and annual report to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of this Proxy Statement and annual report to any stockholder at the shared address to which a single copy of those documents were delivered. If you prefer to receive separate copies of the proxy statement and annual report, contact Ms. Adeline Gu, our Chief Financial Officer, at 4/F, Tower C, Rong Cheng Yun Gu Building, Keji 3rd Road, Yanta District, Xi'an City, Shaanxi Province, 710075 China.

Stockholder List

For at least ten days prior to the meeting, a list of stockholders entitled to vote at the 2018 Annual Meeting, arranged in alphabetical order, showing the address of and number of shares registered in the name of each stockholder, will be open for examination by any stockholder, for any purpose related to the 2018 Annual Meeting, during ordinary business hours at our principal executive offices. The list will also be available for examination at the 2018 Annual Meeting.

Other Business

The Board is not aware of any other matters to be presented at the 2018 Annual Meeting other than those mentioned in this Proxy Statement and our accompanying Notice of Annual Meeting of Stockholders. If, however, any other matters properly come before the 2018 Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment.

Proposals of Stockholders for 2019 Annual Meeting

Stockholder proposals will be considered for inclusion in the proxy statement for the 2019 Annual Meeting in accordance with Rule 14a-8 under Securities Exchange Act of 1934, as amended (the "Exchange Act"), if they are received by the Company, on or before December 30, 2018.

A stockholder's notice relating to nomination for directors shall set forth as to each person, if any, whom the stockholder proposes to nominate for election or re-election as a director: (i) the name, age, business address and residence address of such person, (ii) the principal occupation or employment of such person, (iii) the class and number of shares of CREG, which are beneficially owned by such person, (iv) a description of all arrangements or understandings between the stockholder and each nominee and any other person(s) (naming such person(s)) pursuant to which the nominations are to be made by the stockholder and (v) any other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including without limitation such person's written consent to being named in our Proxy Statement, if any, as a nominee and to serving as a director if elected).

Proposals and notices of intention to present proposals at the 2018 Annual Meeting should be addressed to Ms. Adeline Gu, our Chief Financial Officer, at our principal executive offices, located at 4/F, Tower C, Rong Cheng Yun Gu Building, Keji 3rd Road, Yanta District, Xi'an City, Shaanxi Province, 710075 China.

A copy of the full text of the provisions of our Bylaws, as amended, dealing with stockholder proposals is available to stockholders from our Secretary upon written request and an electronic copy of is available at the SEC's website located at www.sec.gov.

Voting Results of 2018 Annual Meeting

Voting results will be published in a Current Report on Form 8-K issued by us within four (4) business days following the annual meeting.

CORPORATE GOVERNANCE

Leadership Structure and Role in Risk Oversight

The Company’s current board leadership structure separates the board chair and principal executive officer roles into two positions. Mr. Ku has served as both Chairman of the Board and CEO of the Company since April 1, 2009. Our Board continues to believe there are important advantages to Mr. Ku serving in both roles at this time. Mr. Ku is the director most familiar with our business and industry and is best situated to propose Board agendas and lead Board discussions on important matters. Mr. Ku provides a strong link between management and the Board, which promotes clear communication and enhances strategic planning and implementation of corporate strategies. Another advantage is the clarity of leadership provided by one person representing us to employees, stockholders and other stakeholders. The Board has not named a lead independent director.

Our Board is responsible for oversight of the Company’s risk management practices while management is responsible for the day-to-day risk management processes. In the Board’s opinion, this division of responsibilities is the most effective approach for addressing the risks facing the Company. The Board receives periodic reports from management regarding the most significant risks facing the Company. In addition, the Audit Committee assists the Board in its oversight of our risk assessment and risk management policies. Our Audit Committee is empowered to appoint and oversee our independent registered public accounting firm, monitor the integrity of our financial reporting processes and systems of internal controls and provide an avenue of communication among our independent auditors, management, our internal auditing department and our Board.

Diversity

The Board does not have a formal policy with respect to Board nominee diversity. In recommending proposed nominees to the full Board, the Corporate Governance and Nominating Committee is charged with building and maintaining a board that has an ideal mix of talent and experience to achieve our business objectives in the current environment. In particular, the Corporate Governance and Nominating Committee is focused on relevant subject matter expertise, depth of knowledge in key areas that are important to us, and diversity of thought, background, perspective and experience so as to facilitate robust debate and broad thinking on strategies and tactics pursued by us.

Director Independence

Xiaoping Guo, LuLu Sun and Xiaogang Zhu are our only non-employee directors, and our Board has determined that each of them is independent pursuant to the listing rules of NASDAQ. All of the members of each of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee are independent as defined in NASDAQ Rule 5605(a)(2). As required under applicable NASDAQ listing standards, in the 2017 fiscal year, our independent directors met twice in regularly scheduled executive sessions at which only our independent directors were present.

Mr. Xiaogang Zhu, a nominee for director, is a former employee of the Company. Our Board has determined that, as of the date of the 2018 Annual Meeting, Mr. Zhu will be “independent” under the independence requirements of Rule 10A-3 promulgated under the Securities Exchange Act of 1934 and as defined by NASDAQ Rule 5605(a)(2).

Board Meetings and Committee Meeting; Annual Meeting Attendance

During the year ended December 31, 2017, the Board held 2 meetings and acted through unanimous consent on 2 different occasions. In addition, the Audit Committee held 4 meetings; the Corporate Governance and Nominating Committee held 1 meeting; and the Compensation Committee held 1 meeting. During the year ended December 31, 2017, each of the directors attended, in person or by telephone, more than 75% of the meetings of the Board and the committees on which he or she served. We encourage our Board members to attend our Annual Meetings, but we do not have a formal policy requiring attendance. Some of our then-sitting Board members attended the 2017 Annual Meeting.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee currently consists of Xiaoping Guo, Xiaogang Zhu and LuLu Sun. Ms. LuLu Sun is the chairman of our Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee oversees all aspects of the Company’s corporate governance functions on behalf of the Board, including identifying individuals qualified to become directors, recommending to the Board the selection of director nominees for each meeting of the stockholders at which directors are elected and overseeing the monitoring and evaluation of the Company’s corporate governance practices. Narrative to Summary Compensation Table

In fiscal year 2017, the primary components of our executive compensation programs were base salary and equity compensation. We use base salary to fairly and competitively compensate our executives, including the named executive officers, for the jobs we ask them to perform. We view base salary as the most stable component of our executive compensation program, as this amount is not at risk. We believe that the base salaries of our executives should be targeted at or above the median of base salaries for executives in similar positions with similar responsibilities at comparable companies, consistent with our compensation philosophy. Because of our emphasis on performance-based compensation for executives, base salary adjustments are generally made only when we believe there is a significant deviation from the market or an increase in responsibility. Our Compensation Committee reviews the base salary levels of our executives each year to determine whether an adjustment is warranted or necessary.
